

ANTHEM FOR:

THE CALCUTTA CLUB PREMIERE LEAGUE CRICKET CARNIVAL

Written & Composed by: Prof. P.R.Das (Ranjan Prasad –D 624)

Come all members, young or auld

Hit one sixer, or get bowled

Cricket is calling at our Club lawn

The pitch is ready, flood lights are on

(Hay ho, Hay hay ho, It's cricket at Calcutta Club)..... **Chorus**

Pace or spin we just don't care

Even lethal bumpers we can dare

Win or lose don't matter at all

For it's all fun with the bat and the ball

(Hay ho, Hay hay ho, It's cricket at Calcutta Club)..... **Chorus**

All for glory and none for shame

'cause is Cricket, the name of the game

Ask not who played for which side

For we together share the same pride

(Hay ho, Hay hay ho, It's cricket at Calcutta Club)..... **Chorus**

Where we stand together to raise a toast

For our Club can boast of being a good host

So join all members, young or auld

To sing in chorus, the tale just told.

(Hay ho, Hay hay ho, It's cricket at Calcutta Club)..... **Chorus...to fade out**
